THERAPY AGREEMENT:

By signing this form, I understand and agree to the following:

A session lasts 45 minutes (\$180); individual extended 90-minute sessions available (\$360); half session lasts 25 minutes (\$100). Full payment is expected at each session. Mr. Anderson does not accept any insurance but will provide receipts upon request. **For appointments not kept, canceled, or rescheduled within 48 hours of appointment for any reason, you will be responsible for your full session fee.** This fee is **NOT** billable to insurance company and **will** be charged to my credit card (below) if payment is not received. Phone consultations over 5 minutes are charged at the rate of \$5.00 per minute for the full duration of the call. A fee of \$35.00 is charged for returned checks. Fees apply for letters, case summary requests, and time spent in court or with your attorney (\$450/hr. If I am subpoenaed or am asked to testify in court, I will have to cancel my entire day of clients due to the unpredictability of when cases come up on docket, therefore, the minimum charge is for 6 hours, regardless of when the case is called). These fees will be charged to your credit card.

I authorize the release of any information including the diagnosis and the records of any treatment or examination rendered to me or to my child during the period of such care to third party payors and/or other health practitioners. I have read the Informed Consent for the office of Jonathan F. Anderson/The GATE.

I agree to be responsible for payment of all services rendered on my behalf or for my dependents and/or fees for appointments not kept or cancelled/rescheduled within 48 hours of the appointment time. I give Jonathan F. Anderson the right to seek the services of a bill-collecting agency in efforts to collect fees that I have not paid to his for services rendered and/or for cancelled, missed appointments or for late rescheduled appointments.

Mental Health Professionals regularly seek consultation with their colleagues to ensure the highest quality of therapy and treatment for the clients and prevent personal biases from hindering the therapeutic process. Despite the extra expense to the therapist for this consultation, it is essential to maintain the highest standards for your care. All legal and ethical confidentiality laws and standards apply during these professional consultations.

I give my permission for Jonathan F. Anderson, or one of his interns, to provide mental health services to me.

I understand that after the final session or in the event that I have not attended a therapy session in three months, the client/therapist relationship will be considered closed unless I initiate further contact. I further understand that I can re-initiate therapy after my case is closed.
